We put long hours of hard work into producing the following for you. May it help you win your league(s) this season!

SALARY CAP CONTEST

I've played Sports Buff Salary Cap games for almost ten years now. In 2008, I won their Sports Reporters/VIP Football league and got to go to Vegas for their Elite Eight postseason draft. It was simply awesome. Jeff Thomas is a class act, running the show, and everybody there had a blast.

(Contest Closed)

Four finalists win trips to Vegas in the Baseball game. I've played it for years, and I can tell you, it's lots of fun working your cap each week for the best possible line-up. The overall, weekly, and league prizes are nice, too, with a low entry fee to boot. PLAYER PROFILES/RANKINGS

Rankings assumed for a standard 5x5 rotisserie format, but don't change THAT much in most points or h2h formats; dollar values assumed for a standard \$260 cap, 12-team, 23-player-roster *AL or NL-only league*. Draft position suggestion number is for *mixed* leagues.
