Below, we rank the teams from best to worst concerning the certainty of victory this week. We're very confident that the top teams will win. We're not so confident that the bottom teams will win.

ALERT! We just updated our [Strength of Schedule Grid](#) on 11/23 to point out strong and weak schedules for the remainder of the 2009 season, so make sure you download it, print it, and keep it by your side to consult for every decision you make. Personally, I like to take a highlighter and highlight out the column for the current week each Monday as to easier see the remaining good and bad stretches.

SURVIVOR POOL PICKS

1. **MIN** v CHI - this is a slam dunk for Favre and company
2. **GB @** DET - the Lions have no chance with Stafford and maybe Calvin out
3. **CIN** v CLE - forget last week... Cincy will dominate
4. **DAL** v OAK - Oakland falls apart on the road
5. **SEA @** STL - Hasselbeck should tear the Rams apart
6. **PHI** v WAS - McNabb should easily top 300 yards
7. **SD** v KC - the Chargers are just a better team
8. **MIA @** BUF - Ricky should have his way again
9. **NYG @** DEN - Eli and Jacobs should put the Broncos down
10. **ATL** v TB - Freeman could win it with a solid game
11. **IND @** HOU - Texans could surprise at home
12. **ARI @** TEN - Titans have played better lately, could win at home
13. **CAR @** NYJ - you have to think Sanchez makes another mistake to blow it
14. **JAC @** SF - MJD should trump Gore, but SF gets the home field advantage
15. **BAL** v PIT - both teams will stop run, either Flacco or Big Ben will pull it out
16. **NE @** NO - two big offenses, either team could win
