

NFL - 2009 Fantasy Football Week 17 Wide Receiver (WR) Player Rankings

Written by Patrick Mayo

Tuesday, 29 December 2009 00:10 - Last Updated Tuesday, 29 December 2009 21:47

We base our weekly rankings on the strength of opposing defenses overall, individual match-ups, and expected game situations (shoot-out vs. field-goal battle vs. blowout). They're based on the WCOFF/NFFC PPR scoring systems. Hopefully, for the most part, just looking at the rankings helps you figure out who to sit or start. We set the projections early in the week and then comb through them and make any necessary edits on Friday.
